

# Access and Flow

# **Measure - Dimension: Efficient**

| Indicator #1  | Туре |                       | Source /<br>Period  | Current<br>Performance | Target | Target Justification   | External Collaborators |
|---|------|-----------------------|---|------------------------|--------|--|------------------------|
| Rate of ED visits for modified list of<br>ambulatory care–sensitive<br>conditions* per 100 long-term care<br>residents. | 0    | LTC home<br>residents | CIHI CCRS,<br>CIHI NACRS /<br>Oct 1, 2023,<br>to Sep 30,<br>2024 (Q3 to<br>the end of<br>the following<br>Q2) | 19.17                  |        | Forest Hill is committed to<br>improving health care efficiency,<br>and to provide the best service, care<br>and outcomes for the residents in<br>this home. |                        |

### Change Ideas

| Change Idea #1 We will continue to strive to improve our current performance by identifying and monitoring each resid | ent with an ER transfer and work |
|---|----------------------------------|
| collaboratively with external resources- lab, xray, ultrasound etc., attending physicians and Nurse Practi            | tioner to avoid ER transfers     |

| Methods   | Process measures  | Target for process measure   | Comments |
|---|---|--|----------|
| 1)Analyze data quarterly to identify<br>trends related to various clinical<br>conditions. 2)Ensure optimal utilization<br>of services and resources available in<br>house or through contracted services<br>prior to transferring residents to<br>hospital. | Total # of admissions to acute care from ED, Total # of transfers to ED | ER transfers will be decreased from<br>current performance of 19.17% to 15%<br>by March 31, 2026 |          |

Change Idea #2 Educate staff on reasons for preventable ED transfers

| Methods   | Process measures                             | Target for process measure   | Comments |
|---|--|--|----------|
| Arrange education sessions for staff by NP/Pharmacist on reducing ED visits | # of staff educated on preventable ED visits | There will be a reduction in preventable ED visits by March 31, 2026 |          |

# Equity

# Measure - Dimension: Equitable

| Indicator #2   | Туре | Source /<br>Period   | Current<br>Performance | Target | Target Justification                     | External Collaborators |
|--|------|--|------------------------|--------|--|------------------------|
| Percentage of staff (executive-level,<br>management, or all) who have<br>completed relevant equity, diversity,<br>inclusion, and anti-racism education | 0    | Local data<br>collection /<br>Most recent<br>consecutive<br>12-month<br>period | 96.95                  |        | Goal is to have 100% of staff completion |                        |

| Change Idea #1 Annual DEI Education for all staff to increase awareness                          |   |  |                      |  |  |  |
|--|---|--|----------------------|--|--|--|
| Methods  | Process measures  | Target for process measure             | Comments             |  |  |  |
| All staff will complete assigned education on Surge Learning platform                            | # of staff to complete annual<br>education/training by December 31,<br>2025                               | 100% completion rate                   | Total LTCH Beds: 160 |  |  |  |
| Change Idea #2 Recognize cultural/diversity events/occasions each month of the year              |   |  |                      |  |  |  |
| Methods  | Process measures  | Target for process measure             | Comments             |  |  |  |
| Post Cultural Diversity calendar of<br>events/occasions monthly on designated<br>bulleting board | number of months there is information<br>related to equity, diversity, inclusion and<br>antiracism posted | 100%- calendar to be posted each month |                      |  |  |  |

# Experience

# Measure - Dimension: Patient-centred

| Indicator #3   | Туре | · · | Source /<br>Period   | Current<br>Performance | Target | Target Justification                                   | External Collaborators |
|--|------|-----|--|------------------------|--------|--|------------------------|
| Percentage of residents responding<br>positively to: "What number would<br>you use to rate how well the staff<br>listen to you?" | 0    |     | In house<br>data,<br>NHCAHPS<br>survey / Most<br>recent<br>consecutive<br>12-month<br>period | 93.94                  |        | goal is for 100% of residents to<br>respond positively |                        |

| Change Idea #1 Respect and promote resident values, preferences and expressed needs  |                            |   |   |  |  |  |
|--|----------------------------|---|---|--|--|--|
| Methods  | Process measures           | Target for process measure  | Comments  |  |  |  |
| Annual education for staff regarding the<br>essentials of therapeutic<br>communication, Resident's Bill of Rights,<br>Abuse Prevention Program, Resident Bill<br>Of Rights reviewed at each monthly<br>Resident Council meeting. | of Rights Training in 2025 | 100% of staff will complete annual bill of Rights Education in 2025 | Total Surveys Initiated: 68<br>Total LTCH Beds: 160 |  |  |  |

#### Org ID 54301 | Forest Hill

## Change Idea #2 All residents living in the LTC home will be encouraged to attend to their care conferences

| Methods  | Process measures | Target for process measure  | Comments |
|--|------------------|---|----------|
| 1)Communicate to residents when their<br>annual care conference is scheduled in<br>advance of the meeting 2)Remind<br>resident the morning of the meeting and<br>provide assistance of needed to attend<br>3)allow timer for discussion and<br>feedback on areas that could be<br>improved | residents attend | 100% of residents will be invited to their care conference with advanced notice |          |

#### Change Idea #3 Careplan development and reviews will be completed with each resident/POA input

| Methods  | Process measures   | Target for process measure                                    | Comments |
|--|--|---|----------|
| On admission and quarterly when plan<br>of care is reviewed , meet with<br>resident/POA to discuss goals, wishes | # of plan of care meetings held with<br>resident/POA present | Plan of care reviews will be held with resident in attendance |          |

### **Measure - Dimension: Patient-centred**

| Indicator #4  | Туре | Source /<br>Period   | Current<br>Performance | Target | Target Justification                                | External Collaborators |
|---|------|--|------------------------|--------|---|------------------------|
| Percentage of residents who<br>responded positively to the<br>statement: "I can express my<br>opinion without fear of<br>consequences". | 0    | In house<br>data, interRAI<br>survey / Most<br>recent<br>consecutive<br>12-month<br>period |                        |        | goal is for 100% of residents to respond positively |                        |

#### 6 WORKPLAN QIP 2025/26

#### Org ID 54301 | Forest Hill

#### Change Idea #1 To improve the resident participation in the annual survey.

| Methods   | Process measures   | Target for process measure   | Comments |
|---|--|--|----------|
| Conduct the Resident Care Survey<br>annually encouraging all residents POA's<br>to participate when resident is unable. | Total # of residents/POA's that participate in the annual survey | 80% of resident's/POA's will participate in the 2025 annual Resident Experience survey |          |

Change Idea #2 To improve Resident Experience and encourage freedom of expression by providing education on Resident's Rights

| Methods   | Process measures                            | Target for process measure   | Comments |
|---|---|--|----------|
| 1)Annual education for staff regarding<br>the essentials of therapeutic<br>communication Resident's Bill of Rights,<br>Abuse Prevention Program,<br>Whistleblower protection, GPA | 100% of staff that complete annual training | 100% of staff will complete annual<br>education of Resident Bill of Rights by<br>December 31, 2025 |          |

Change Idea #3 Address concerns as they are identified following the process developed in our policy and procedure

| Methods  | Process measures   | Target for process measure  | Comments |
|--|--|---|----------|
| 1)Information on complaints concern<br>process will be provided to resident's<br>and POA on admission. 2)Annual<br>education to staff on procedure/process<br>to follow when addressing complaints<br>and concerns | # of Concerns to addressed within the timeline of the homes concerns and complaints policy | 100% of concerns will be responded to<br>within 10 days of the initial complaint by<br>March 31, 2026 |          |

# Measure - Dimension: Patient-centred

| Indicator #5   | Туре | • | Source /<br>Period                                    | Current<br>Performance | Target | Target Justification                          | External Collaborators |
|--|------|---|---|------------------------|--------|---|------------------------|
| Percentage of staff vacancies in the<br>Master Staffing Schedule | С    |   | In house data<br>collection /<br>April 1-<br>March 31 | СВ                     |        | all vacancies in master rotation to be filled |                        |

| Change Idea #1 To fill all vacant positions in the master staffing schedule and reduce the need for temporary agency staff  |   |   |          |  |  |  |
|---|---|---|----------|--|--|--|
| Methods   | Process measures  | Target for process measure                                | Comments |  |  |  |
| 1. Timely posting of available positions 2.<br>On-going active recruitment of staff 3.<br>Maintain strong relationship with<br>educational institutions to grow PREP<br>LTC student placement program. 4.<br>Maximize use of funding resources and<br>initiatives to attract new hires and/or<br>students. 5. Strengthen Preceptorship<br>program to facilitate quality student<br>placement opportunities. | # of positions not filled, # of days<br>working short/month, # of shifts worked<br>by temporary(agency) staff/month | 100% of staff vacancies to be filled by<br>March 31, 2026 |          |  |  |  |

# Safety

# Measure - Dimension: Safe

| Indicator #6  | Туре | Source /<br>Period   | Current<br>Performance | Target | Target Justification                                  | External Collaborators |
|---|------|--|------------------------|--------|---|------------------------|
| Percentage of LTC home residents<br>who fell in the 30 days leading up to<br>their assessment | Ο    | CIHI CCRS /<br>July 1 to Sep<br>30, 2024<br>(Q2), as<br>target<br>quarter of<br>rolling 4-<br>quarter<br>average | 15.36                  |        | Goal to improve Falls below the<br>Provincial average |                        |

## Change Ideas

### Change Idea #1 Review "Falling Star" program to ensure full implementation on all units.

| Methods   | Process measures   | Target for process measure                            | Comments |
|---|--|---|----------|
| Provide refresher education sessions on<br>Falls Prevention Program- "Falling Star"<br>program and Post fall Huddles. | # of staff educated on Falls prevention<br>program ("Falling Star"), # audits<br>completed on falling star program | Education sessions will be completed by June 30, 2025 |          |
| Change Idea #2 Routine review of fall sta   | atistics to occur with interdisciplinary team  | n to look for trends- location, time of day e         | tc.      |
|   |  |   |          |
| Methods   | Process measures   | Target for process measure                            | Comments |

### 9 WORKPLAN QIP 2025/26

#### Org ID 54301 | Forest Hill

## Change Idea #3 Implement 4 P's rounding- Pain, Position, Placement & Personal Needs

| Methods                         | Process measures                     | Target for process measure  | Comments |
|---------------------------------|--------------------------------------|---|----------|
| Educate staff on 4 P's process, | # of staff educated on 4 P's process | 100% of front-line staff will be educated on the 4 P's process by June 30, 2025 |          |

# Measure - Dimension: Safe

| Indicator #7  | Туре | Source /<br>Period   | Current<br>Performance | Target | Target Justification   | External Collaborators |
|---|------|--|------------------------|--------|--|------------------------|
| Percentage of LTC residents without<br>psychosis who were given<br>antipsychotic medication in the 7<br>days preceding their resident<br>assessment | Ο    | CIHI CCRS /<br>July 1 to Sep<br>30, 2024<br>(Q2), as<br>target<br>quarter of<br>rolling 4-<br>quarter<br>average | 36.78                  |        | goal is to reduce current level to<br>achieve the Provincial level |                        |

| Change Idea #1 Implement Antipsychotic Reduction Program   |   |   |          |  |  |  |
|--|---|---|----------|--|--|--|
| Methods  | Process measures  | Target for process measure  | Comments |  |  |  |
| Each quarter our pharmacy partner will<br>complete a medication review on all<br>referred residents.<br>DOC/ADOC/Physician/Pharmacist<br>collaborate quarterly to review<br>prescribed antipsychotics with goal to<br>deprescribe where appropriate. Monthly<br>BSO team meeting | # residents receiving antipsychotics with<br>reduction program utilized, # of<br>Medication reviews completed monthly | Decrease in the use of residents on<br>antipsychotics from our current status of<br>36.31% to 25.0% by March 31, 2026 |          |  |  |  |

#### 10 WORKPLAN QIP 2025/26

#### Change Idea #2 Utilization of BSO resources and staff to assist in identifying non pharmacological approaches to managing responsive behaviours

| Methods   | Process measures   | Target for process measure                  | Comments |
|---|--|---|----------|
| BSO program collaboration team to<br>meet monthly. Staff to receive education<br>in managing responsive behaviors- GPA,<br>Pieces, Teepa Snow | Number of antipsychotic medications without a diagnosis of psychosis | # of staff that attended education sessions |          |
